COMPANY PROFILE

Established in Delhi (India) in the year 1980, we at AP Switches & Accessories are a dependable entity that manufacture and supply top quality Electrical Products. By developing a highly pioneering and advanced range of electrical products, we have set up a benchmark for the competitors in the industry. We have a skilled team of professionals, which ensure top grade products are dispatched to our clients. Further, we strive hard to recognize the preferences and expectations of our clients and then offer them cost-effective products without compromising on quality.

Total Quality management has always been at the forefront of AP Switches & Accessories focus, and this continuous effort has resulted in receiving widely industry benchmark certifications such as ISO 9001-2008, ISI mark, and CE. The stringent quality checks carried out all of the manufacturing facilities cover all aspect and stages of manufacturing right from the selection of raw materials to the final packaging and dispatch stages.

AP Switches & Accessories has always felt proud for being such as respected name in the field of electronic solutions providers, and this has led it towards opting for innovative and cutting edge ideas to ensure best eco-friendly standards during manufacturing. Moreover, streamlining of the production process has also led to minimization of the production wastes, and better conservation of energy and resources. In fact, products from the stable of AP Switches & Accessories has surged ahead and met the ROHS or Restriction of Hazardous Substance benchmark, which is equal to any European standard quality measurement.

For every **AP Switch** Box you buy We contribute Re.1 in the Education and development Initiative that support rural people in there primary education and better living.

You can be truly proud that your Contribution is a part of it.

MODULAR SMART TOUCH

Touch switch is a smart device that enables you to turn on/off any with one touch either on switch or AP-fi App. It is a device that can be configured with our automation app (AP-fi) & provide a elegant look to your smart home.

DOWNLOAD **AP-fi**
APPLICATION NOW

CONTROL FROM ANYWHERE

Control all appliances from anywhere in the world with your android or ios devices.

SCHEDULE OR TIMEING

Schedule or set timers to turn on/off any appliance in this feature.

SCENES

Customize your appliances to create theme based scenes for you whenever you want them to. Eg. evening scenes, party scenes etc.

SMART ENTERTAINMENT CONTROL

Control all IR remotes with just the smartphone. Give a smart makeover to all the IR devices with new capabilities.

TIGHTER SECURITY

This feature lets the user lock the house through the app, so that any intervention will be notified immediately.

THE VOICE ASSISTANT

Use your voice as a remote to control all your appliance with amazo alexa, google assistant, google home, siri shortcuts.

LIVE POWER TRACKING

Monitor hourly and daily power consumption at home in real time to help save more power.
