Modular Switches
& Accessories

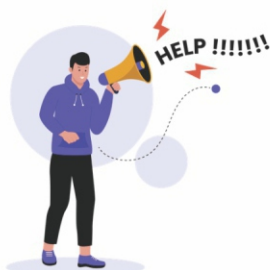

COMPANY PROFILE

Established in Delhi (India) in the year 1980, we at AP Switches & Accessories are a dependable entity that manufacture and supply top quality Electrical Products. By developing a highly pioneering and advanced range of electrical products, we have set up a benchmark for the competitors in the industry. We have a skilled team of professionals, which ensure top grade products are dispatched to our clients. Further, we strive hard to recognize the preferences and expectations of our clients and then offer them cost-effective products without compromising on quality.

Total Quality management has always been at the forefront of AP Switches & Accessories focus, and this continuous effort has resulted in receiving widely industry benchmark certifications such as ISO 9001-2008, ISI mark, and CE. The stringent quality checks

carried out all of the manufacturing facilities cover all aspect and stages of manufacturing right from the selection of raw materials to the final packaging and dispatch stages.

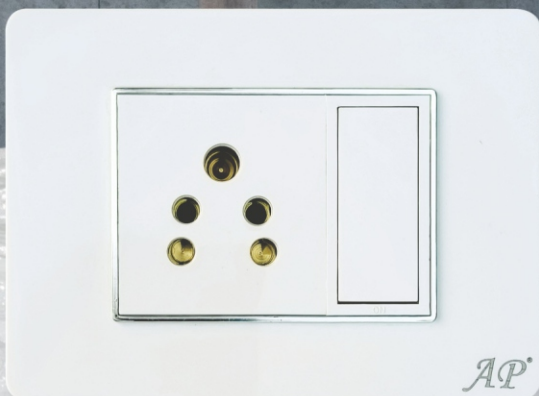

AP Switches & Accessories has always felt proud for being such a respected name in the field of electronic solutions providers, and this has led it towards opting for innovative and cutting edge ideas to ensure best eco-friendly standards during manufacturing. Moreover, streamlining of the production process has also led to minimization of the production wastes, and better conservation of energy and resources. In fact, products from the stable of AP Switches & Accessories has surged ahead and met the ROHS or Restriction of Hazardous Substance benchmark, which is equal to any European standard quality measurement.

For every **AP SWITCH** Box you buy We contribute Re.1 in the Education and development Initiative that support rural people in there primary education and better living.
You can be truly proud that your Contribution is a part of it.

SMART FEATURES

MODULAR SMART TOUCH

Touch switch is a smart device that enables you to turn on/off any with one touch either on switch or AP-fi App. It is a device that can be configured with our automation app (AP-fi) & provide a elegant look to your smart home.

DOWNLOAD *AP-fi* APPLICATION NOW

CONTROL FROM ANYWHERE

Control all appliances from anywhere in the world with your android or ios devices.

SCENES

Customize your appliances to create theme based scenes for you whenever you want them to. Eg. evening scenes, party scenes etc.

SCHEDULE OR TIMING

Schedule or set timers to turn on/off any appliance in this feature.

TIGHTER SECURITY

This feature lets the user lock the house through the app, so that any intervention will be notified immediately.

SMART ENTERTAINMENT CONTROL

Control all IR remotes with just the smartphone. Give a smart makeover to all the IR devices with new capabilities.

LIVE POWER TRACKING

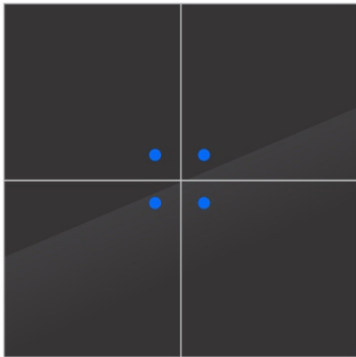

Monitor hourly and daily power consumption at home in real time to help save more power.

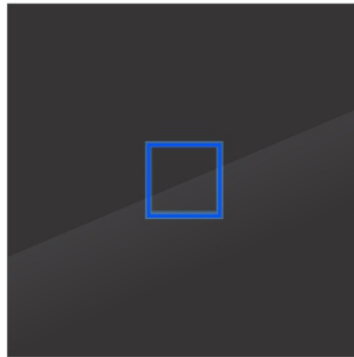

THE VOICE ASSISTANT

Use your voice as a remote to control all your appliance with amazo alexa, google assistant, google home, siri shortcuts.

PVC INSULATED WIRES & CABLES

SINGLE CORE PVC INSULATED COPPER CONDUCTOR
UNSHEATHED CABLE IN 1100 VOLTS GRADE

AP is India's most trusted brand. We have focused on world class infrastructure, best in class technology, uncompromising quality standards & dynamic product innovation.

A name that creates a sense of Safety, Reliability, Quality & Durability. Through its continual investment in research & development (R&D), AP is dedicated to providing innovative products & systems that meets the demand of today and the challenges of tomorrow.

"Self-belief & hardwork will always earn you SUCCESS"

Thanks to all our Dealers, Agents, Suppliers & Retailers For having trust in us.

- A customer is the most important visitor on our premises.
- He is not dependent on us - We are dependent on him.
- He is not interruption of our - He is the purpose of it.
- He is not an outsider of our business - He is part of it.
- We are not doing him favour by servicing him - He is doing us a favour by giving us the opportunity to do.

IS:694-1990
